

Jan. 1, 1991 - Tues.

Dear Vickie and Jimmy.

The new year is starting out pretty good as the snow and ice is practically gone and the roads are clear.

Mary and Mike and Diane were over for dinner and the evening Sunday, to celebrate Dad's birthday. Diane worked until five and as she was picked up on the way over here, we had dinner about six and then played cards which was oh Poker and Casino.

We have a new cable station now which was just started Monday. It was announced in the Sunday paper which told about the change and that means that KVO5 is being dropped and A.M.C. is being added. I am happy about that.

Vickie, thank you for the nice letter. Very soon you will be going to Paris, I have the card sent from there last March. Jimmy will you have dinner at the Left Bank again? You told about you and Vickie eating there before. It sounded delicious. Happy New Year.

Love,
Moms.
